

# Village Adoption Programme

## HUNDIMALA - A REPORT

As per the academic time table, the Poornima, volunteer from Pratham Mysore, started her teaching session from 1st July 2010. She had an initial meeting with the teachers before selecting the children for the programme. The Government School teachers identified children who were lagging behind in studies needing remedial education in the first phase.

Total	57

### *Assessment of children*

A Pre-Test session was conducted to assess the current status of the selected children yesterday. The Pre-Test aimed at assessing ;

1. The Reading Level of children in 5 stages : 1. Story 2. Para 3. Word 4. Letter and 5. Nothing
2. The Competency in 4 basic operations.

The Pretest session was observed by a local School Development and Monitoring Committee (SDMC) member. The results of the Pretest will soon be shared, once the compilation is done.
